John Cutter is a neighborhood drinking & dining establishment that tends to parched throats and empty bellies for breakfast, lunch, dinner and late night noshing. Our laid back atmosphere and awesome food & drinks are perfect for getting away from the hustle and bustle of the Strip. Our menu is short and sweet and does the trick, anytime day or night.

Our steaks are 100% Angus Beef and our fish is flown in fresh. No freezers here, so you can be sure your meal is made from the freshest ingredients available. From steaks and seafood to sandwiches, wings and salads. You will have no quarrel with our food. So stick around because the later it gets, the more this place percolates!
